

# MONTE TONDO

Foscarin Slavinus Soave Sup. DOCG Classico 2019

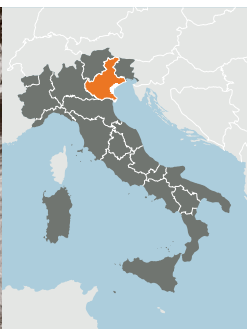

A complex nose that offers sweet, ripe apples and some lemon cream, as well as a drier, more savory almond note.

Medium-to full-bodied with the same, sweet-savory progression on the intense palate and a combination of both on the long, slightly phenolic finish. Lots going on here. This may be even more interesting after another year in bottle. Drink or hold.
