FAMILY WINES

Brides-to-be who love the immensely popular classical singer Andrea Bocelli will surely want to pour Bocelli Prosecco at their upcoming nuptials. Although the tenor has only recently become involved in winemaking himself, the Bocelli family has been producing vino for several generations in Italy. This soft, friendly fizz is their first foray into Prosecco. The “Extra Dry” notation on the label lets you know that melodies of sweetness blend into this overall harmonious sparkling wine. Even people who would rather listen to Vermin Twins than Verdi will still enjoy Bocelli bubbly.
